Conferences, Training, Team-Building, Events, Meetings and Functions

The best of both worlds – central and serene! Centrally located between Johannesburg and Pretoria, African Footprints is a convenient and beautiful venue for conferences, team-building, events, meetings and functions.

The conference center boasts plenty of natural light, a thatched roof and a stunning view overlooking the pool and pine trees. Equipped with a 100-inch screen and projector, WIFI, sound equipment, cushioned banquet chairs and air conditioning, this conference center ensures a comfortable and professional environment. The venue also has ample secure parking onsite.

The conference center can accommodate between 15 and 100 persons in your preferred seating style. This versatile space can be used in combination with our expansive lawns, breakaway areas and guest house facilities for tailor-made conferencing, events, functions, meetings or team building. The 10 seater boardroom offers a professional space for smaller meetings or training seminars. A selection of packages are available to best suit your requirements.

The guest house conveniently offers 15 garden cottages for attendees requiring accommodation or looking to avoid the daily commute.
